Other requirements/requests:

This year we are asking for one of the following as your vendor fee:

- (a) an item valued at \$30 or more to be sold in our auction; if you prefer this option, your item must be delivered to the Chamber Office at least one week prior to the event;
- (b) an entry fee of \$25.

Which of those two options do you prefer?

\_\_\_\_\_ donated item                      \_\_\_\_\_ paid registration

If you are donating an item, what will that be?

If you are donating an item, please drop it off at the Chamber office prior to the craft show OR have it ready for pick up at 9 AM on Saturday.

Would you like to be one of the vendors listed on our "coverall BINGO" cards? For \$20 you can drive business directly to your booth because shoppers need your stamp/punch/initials to complete their cards to win Chamber Cash prizes.

\_\_\_\_\_ yes      \_\_\_\_\_ no

How would you like to be listed on the card?

The location for the Arts/Crafts Show will be to the North of the Surrey House and in Second Street, as it was in 2008. If you register before July 1 you will be notified of your specific space assignment. Registrations received after July 1 will probably not receive space assignments prior to arrival. Maps will be distributed that indicate locations of vendors and what they are selling; being registered will make your presence more visible to visitors.

We prefer but are not requiring handcrafted items and will do our best to recruit a variety of items for sale. If space becomes limited, priority will be given to vendors selling items made in the USA.

Because this is a two-day sale, we will hire a security guard to patrol the craft show area on Saturday night. We cannot be responsible for lost or stolen items, however.

Proof of liability insurance is required. If you are not a registered business, this insurance coverage is generally included in your homeowners insurance.

Parking will be provided as close as possible to the event space. Please bring your own carts for hauling materials.
